THE PROVEN PROBIOTIC

Bovamine® Defend™ is a unique living probiotic that stabilizes rumen and small intestine digestive functions while stimulating natural and healthy digestion by reinforcing and enhancing the animal's natural defenses against harmful bacteria.

Bovamine® Defend™ benefits:

- Reduction of harmful bacteria in the GI tract
- Stabilizes GI tract health
- Maximizes Energy Capture
- Improves Average Daily Gain

Additional non required nutrients

- Formulated with ingredients high in Metabolizable Amino Acids in addition to added rumen protected Amino Acids whereas Metabolizable Amino Acids are equal to an equivalent crude protein in excess of the crude protein guarantee
- Fixed formula, no least cost computer generated formulas based on lower cost lessor quality ingredients to meet tag crude nutrient guarantee's
- Made the way Show Cattle feeds were made years ago right down to the original high sugar blackstrap molasses
- High level's of B-Vitamins for times of stress including Biotin and Methionine for hair quality.
- Vitamin E at 6 times NRC requirements

Additional Recommendations

- Feed Cates Jackpot .43 DX for steers and heifers for minimum gain & increased depth of body and spring of rib.
- Fresh water should be available at all times.
- Free choice hay should be available at all times. Grass hay is preferred, Alfalfa hay is not recommended.
- Provide free choice salt in loose or block form.
- Free choice mineral should be made available if not on full feed.
- Additional fats and oils should not be added to this product.
- For additional feeding instructions contact Rowe Nutrition LLC.
